LAW DIVISION – CIVIL PART
BURLINGTON COUNTY**

Docket No.

Civil Action

COMPLAINT

- 1.) Plaintiff is Shawn Connolly. His date of birth is December 17, 1986. He is a resident of New Jersey.
- 2.) Plaintiff Connolly is currently an inmate at Northern State Prison, 168 Frontage Road, Newark, NJ 07114. His SBI is 178388D.
- 3.) In early 2019, Plaintiff was successfully completing parole. He was gainfully employed six days per week as a landscaper for Personal Touch Landscaping, earning \$15/hour.
- 4.) On or about April 3, 2019, Plaintiff was not able to get to a weekly treatment program meeting due to a transportation issue, a fact of which he informed his parole officer. Plaintiff had never missed a day of the program before. His parole officer informed Plaintiff that missing one day of the program was not going to be a problem.
- 5.) The following week, Plaintiff learned that he had been discharged from the psychological program because he missed a single day.

- 6.) On April 9, 2019, Plaintiff was arrested for not complying with the terms of parole.
- 7.) The Parole Board placed him back in the custody of the Department of Corrections, to serve a 12-month sentence essentially for missing a single day of a treatment program.
- 8.) Plaintiff was remanded to Mid-State Correctional Facility ("MSCF").
- 9.) On November 18, 2019, Plaintiff was living in Unit 8W at MSCF.
- 10.) 8W was a dorm room with a large number of bunk beds.
- 11.) In the mornings, Plaintiff would be taken with a group of other prisoners from the floor of his unit to the inmate dining hall to get suboxone.
- 12.) At about 9:40 AM on November 18, 2019, Plaintiff was proceeding with the rest of the group to go to the Inmate Dining Room to get suboxone.
- 13.) Plaintiff's bunk was at the back of Unit 8W, so he was one of the last inmates in line.
- 14.) As Plaintiff neared the stairs that descend towards the dining hall, Officer Scarangella called Plaintiff out of the group and asked Plaintiff to submit to a search.
- 15.) The search was not routine.
- 16.) Officer Scarangella was not in his normal post. He did not normally work on Unit 8.
- 17.) The usual officer on Unit 8 was co-Defendant Cheyenne Brooman.
- 18.) Officer Scarangella waited for all the inmates to go down the stairs so that there would be no witnesses.
- 19.) Scarangella told Plaintiff to prepare to be searched.
- 20.) Plaintiff put his hands on the top of his head to prepare for the search.
- 21.) Scarangella began to pat Plaintiff from his mid-section down.
- 22.) Then, suddenly, without reason, and without warning, Officer Scarangella picked Plaintiff up and slammed his face into the floor.
- 23.) Plaintiff heard Scarangella shout, "Weapon!" and Scarangella then began punching and kicking Plaintiff.

- 24.) Officer Cheyenne Brooman called a Code 33, meaning there was a fight.
- 25.) Officer Gregory Spinner arrived and punched Plaintiff multiple times.
- 26.) Officer Christopher Tsentas arrived and punched Plaintiff multiple times.
- 27.) Officer Damond Rossiter placed Plaintiff into handcuffs.
- 28.) Officers Andrew Aucott and Brian Meter along with Sgt. Tamela Nelsen escorted Plaintiff to the clinic.
- 29.) After the beating, Plaintiff was covered with blood, bruised all over, particularly on his face, and he could not stand up. He had to be taken to the medical unit in a wheelchair.
- 30.) Plaintiff's nose was split open.
- 31.) Nurse Lance Carver, psychologist Raymond Baum, and Nurse Kristi Tanghare cleared Plaintiff to be placed in Pre-Disciplinary Hearing Detention.
- 32.) Plaintiff was strip searched in Pre-Disciplinary Hearing Detention, and no contraband was found.
- 33.) Plaintiff never had any contraband on his person.
- 34.) Officer Michael Darnowski set up a crime scene at the site of the assault at approximately 10:42 AM.
- 35.) Officer Scarangella "retrieved" a 1 and 5/8 inch altered razor from the crime scene.
- 36.) In fact, Officer Scarangella removed the razor from his pants own and planted it.
- 37.) None of the other officers who responded to the Code 33, including Scarangella himself, even mentioned the retrieval of a razor from Plaintiff's clothing during or after the attack.
- 38.) Considering the size and looseness of the pockets on Plaintiff's prison uniform, compared with the tininess of the razor, it is impossible that Scarangella could have visually perceived the razor in Plaintiff's pocket.
- 39.) SID officers Koch and McKinnis took photos of the crime scene at 10:28 AM.
- 40.) Plaintiff was charged with *.202/Possession or introduction of a razor and *.803/*.002

- 41.) Plaintiff requested copies of his charges. His request was denied.
- 42.) Plaintiff asked the hearing officer to issue a lie detector test and to fingerprint the razor. This was denied.
- 43.) Plaintiff also asked for camera footage of the attack, which would show his submission to the search. This was denied.
- 44.) The hearing officer, Norma Morales-Pitre reduced the charges to refusing a search, without any evidence that he had in fact refused a search, but her justification for imposing the punishment for refusing a search was that he had been found in possession of a weapon once before he was paroled.
- 45.) The "weapon" that Plaintiff had been found in possession of before he was paroled was a peach pit.
- 46.) Otherwise, Plaintiff had no disciplinary issues during any time in prison.
- 47.) Although Scarangella was the officer who brought the charges against Plaintiff, Plaintiff was not allowed to confront Scarangella.
- 48.) Plaintiff was sentenced to 3 months of administrative segregation, 3 months loss of commutation time, and 15 days loss of recreation privilege.
- 49.) Due to the false disciplinary sanctions, Plaintiff was denied parole in April 2020 and was sentenced to remain in prison until January 18, 2021.
- 50.) Plaintiff was released on November 4, 2020 due only to pandemic prison credits.
- 51.) Plaintiff appealed the disciplinary hearing, which was denied by Assistant Superintendent Ryan Odea.
- 52.) However, Plaintiff never received a copy of the denial, despite numerous grievances regarding the failure to give him the denial.
- 53.) As a result, Plaintiff lost his right to appeal the disciplinary proceeding to the Appellate Division.
- 54.) Plaintiff eventually learned that his appeal had been denied when he filed an OPRA request to get all of the paperwork involved in the disciplinary hearing.
- 55.) SID officers told Plaintiff they knew he was innocent. They told him that they knew Scarangella was beating up Plaintiff on behalf of other officers. They told him that they

wanted to prosecute Scarangella but that they couldn't because they couldn't get the video.

- 56.) Had Plaintiff gotten out of prison in April 2020, he would have immediately returned to his six-day-per week job as a landscaper with Personal Touch Landscaping, at \$15/hour.
- 57.) Had Plaintiff gotten out of prison in April 2020, he would not have been subjected to the extreme deprivations that befell prisoners during the COVID-19 pandemic.
- 58.) Had Plaintiff gotten out of prison in April 2020, he would have had an additional 7 months of invaluable time spent with friends and family and enjoying leisure activities.
- 59.) As a result of the beating, Plaintiff suffered severe pain and permanent injury.
- 60.) As a result of the beating, Plaintiff suffered psychological injury.
- 61.) Plaintiff filed a Notice of Tort Claim within 90 days of the assault.

COUNT 1
BATTERY AGAINST
SCARANGELLA, TSENTAS, AND SPINNER

- 62.) Defendants Scarangella, Tsentas, and Spinner, who punched and kicked Plaintiff intentionally made harmful and offensive contact with Plaintiff's body.
- 63.) Defendants Scarangella, Tsentas, and Spinner made this harmful and offensive contact within the discharge of their duties as employees of the Department of Corrections.
- 64.) Scarangella, Tsentas, and Spinner's harmful and offensive contact caused Plaintiff damages.
- 65.) As a result of the injuries to his face, Plaintiff now has pain when eating.

COUNT 2
CIVIL CONSPIRACY

- 66.) The conspiracy to attack Plaintiff began with Officer Brooman.
- 67.) There was an incident in which Brooman felt that Plaintiff had insulted her. The insult was nothing she could have disciplined him for, so she decided she would punish him in an illegal and extrajudicial manner.

- 68.) Brooman told another officer, John Doe 1, who was her boyfriend about her desire to punish Connolly.
- 69.) John Doe 1 and Brooman told Scarangella that Plaintiff had insulted her.
- 70.) The three agreed to assault Plaintiff and plant a razor on him as punishment for the insult.
- 71.) Tsentas and Spinner were also informed about the beating and agreed they would come to Scarangella's aid.
- 72.) As a result of their agreement, it was decided that Scarangella would punish Plaintiff by beating Plaintiff on pretense of refusing a search for a weapon.
- 73.) Scarangella would then plant a razor on Plaintiff.
- 74.) Morales-Pitre knew that there was no basis for the charges brought against Plaintiff.
- 75.) Morales-Pitre, Odea, Brooman, John Doe 1, Scarangella, and other employees of the Department of Corrections, John Does 2-10, agreed that Morales-Pitre should do everything possible to sanction Plaintiff because the absence of a sanction would essentially incriminate Scarangella.
- 76.) There is a tacit agreement throughout the Department of Corrections, known as the Blue Wall of Silence, whereby all employees implicitly understand that they must support each other and resolve all ambiguities in favor of employees, even when there is exculpatory evidence.
- 77.) Assistant Superintendent Odea knew that Morales-Pitre's decision was arbitrary and capricious but upheld it because of the fear of breaking ranks.
- 78.) Odea refused to give Plaintiff the paperwork denying his appeal so that Plaintiff could not take the arbitrary and capricious case to the Appellate Division, which would have embarrassed the Department of Corrections, Morales-Pitre, and Scarangella.
- 79.) Morales-Pitre's sanction of Plaintiff was a step taken in furtherance of the conspiracy.

COUNT 3

**INTENTIONAL INFLICTION OF EMOTIONAL DISTRESS AGAINST
SCARANGELLA, BROOMAN, TSENTAS, SPINNER, AND MORALES-PITRE**

- 80.) The unjustified beating of Plaintiff by Scarangella, Tsentas, and Spinner, constituted extreme and outrageous conduct.
- 81.) Brooman's plot with John Doe 1, Scarangella, Tsentas, and Spinner was extreme and outrageous conduct.
- 82.) The unprovoked assault caused Plaintiff extreme emotional distress.
- 83.) The severe emotional distress has been manifested by constant, heightened anxiety, sleeplessness, pain, and paranoia.
- 84.) The bringing of false charges against Plaintiff was extreme and outrageous conduct.
- 85.) The motivation for bringing the false charges was to cover up the deprivation of Plaintiff's constitutional rights.
- 86.) Plaintiff's resulting loss of freedom caused him extreme emotional distress including sorrow, fear, and anxiety.
- 87.) Morales-Pitre's decision to punish Plaintiff when there was no credible evidence of any wrongdoing was extreme and outrageous conduct.
- 88.) Morales-Pitre's sanction caused Plaintiff extreme emotional distress as manifested by sorrow, fear, constant, heightened anxiety, sleeplessness, pain, and paranoia.

COUNT 5

**NEGLIGENT HIRING, TRAINING, SUPERVISION AGAINST DEPARTMENT OF
CORRECTIONS**

- 89.) Cameras should have captured the beating of Plaintiff.
- 90.) Administrator Shimonis-Kaminski, Assistant Administrator Ryan Odea, and John Does 2-10 were responsible for assuring that the security cameras at MSCF were working and were resistant to tampering by the guards.
- 91.) Because the administrators did not properly oversee the security cameras in Unit 8, Scarangella was able to beat up Plaintiff and get away with it.

- 92.) Had the event been recorded, Scarangella's lack of justification for the beating would have been obvious, and Plaintiff would not have been punished.
- 93.) Moreover, had the camera been working and secure from tampering, Scarangella would not have dared to injure Plaintiff.
- 94.) The administrators failed in this duty to keep the cameras operating properly.
- 95.) In the alternative, the administrators failed in their duty to keep the camera footage free from tampering.
- 96.) Due to this failure, the video footage of the beating that would have exculpated Plaintiff was destroyed by the other Defendants.
- 97.) The administrators were responsible for the hiring of Scarangella, Brooman, and John Doe 1.
- 98.) The administrators should have done background checks on these defendants.
- 99.) Had the administrators done background checks on these defendants, they would have discovered that they had proclivity for violence and untruthfulness.
- 100.) Had the administrators done appropriate background checks, they would not have hired these defendants, and Plaintiff would not have been injured.
- 101.) The administrators failed to properly train and supervise Brooman, Scarangella, John Doe 1, Tsentas, and Spinner such that they thought it was acceptable to abuse prisoners in the manner that they abused Plaintiff.
- 102.) The administrators had a duty to discourage and stop the Blue Wall of Silence. Instead, they tolerated and encouraged it, thereby leading to Plaintiff's assault and false sanctions.
- 103.) The Department of Corrections is vicariously liable for all the negligence listed in this Count of the Complaint.

COUNT 6

42 U.S.C. § 1983 – 8th AMENDMENT – CRUEL AND UNUSUAL PUNISHMENT

- 104.) The beating of Plaintiff was sadistic, had no legitimate penological purpose, and was totally out of proportion to any threat posed by Plaintiff to others.
- 105.) Plaintiff never resisted any demand by Scarangella.
- 106.) Any use of Plaintiff's hands was merely an effort to protect himself from the unjustified punches and kicks.

- 107.) All use of force against Plaintiff was totally disproportional to any threat that Plaintiff posed to Defendants.
- 108.) The phony charges and phony sanctions were sadistic, cruel, and totally unjustified. There was no legitimate penological purpose to Plaintiff's punishment.
- 109.) The beating and punishment were a violation of Plaintiff's right to cruel and unusual punishment.
- 110.) Brooman, Tsentas, Scarangella, Spinner, John Doe 1, and Morales-Pitre were all closely and directly responsible for the unconstitutional beating and punishment of Plaintiff.
- 111.) Shimoni-Kaminski, Odea, and John Does 2-10 are liable as supervisors for the cruel and unusual punishment by tolerating deprivations of inmates' civil rights and by not investigating and punishing guards who tampered with evidence and abused inmates.
- 112.) In particular, as evidenced by the statements of SID officers to Plaintiff, Scarangella was known to use force without justification against Plaintiff.
- 113.) Shimoni-Kaminski, Odea, and John Does 2-10 all knew about Scarangella's propensity to find blind spots in the prison camera security system where he would beat inmates for no legitimate purpose and then frame them for violations that the inmates did not commit.
- 114.) The Blue Wall of Silence at MSCF was a culture of which Shimoni-Kaminski, Odea, and John Does 2-10 knew and tolerated, thereby leading to the abuse of Plaintiff.

COUNT 7

42 U.S.C. § 1985 – CONSPIRACY TO VIOLATE CIVIL RIGHTS

- 115.) The conspiracy alleged in count 2 of this Complaint was a conspiracy to violate Plaintiff's 8th Amendment right to be free of cruel and unusual punishment.
- 116.) Brooman, John Doe 1, Tsentas, Sinner, and Scarangella all agreed to the beating and planting of evidence on Plaintiff, thereby violating Plaintiff's right to be free of cruel and unusual punishment.

COUNT 8

42 U.S.C. § 1986 – NEGLECT TO STOP CIVIL RIGHTS VIOLATION

- 117.) Brooman could have helped stop or minimize the assault on Plaintiff by not calling a Code 33 when Scarangella falsely called out "weapon" as Brooman knew that Scarangella was in the process of carrying out an illegal conspiracy. Had Brooman not

called the code, the other officers would not have come and added to the injuries that befell Plaintiff.

- 118.) Morales-Pitre could have stopped the cruel and unusual punishment of Plaintiff by dismissing the phony charges against him, but she didn't.
- 119.) Odea could have stopped the cruel and unusual punishment against Plaintiff by overturning Morales-Pitre's obviously incorrect sanction, but he didn't.

COUNT 9

42 U.S.C. § 1983 – FOURTEENTH AMENDMENT – VIOLATION OF DUE PROCESS

- 120.) The disciplinary hearing against Plaintiff was a complete sham.
- 121.) Morales-Pitre, Odea, Scarangella, and the other defendants all knew it was a complete sham.
- 122.) Morales-Pitre assured the sham would not be uncovered by denying Plaintiff the right to view video, to get the razor fingerprinted, or to confront Scarangella.
- 123.) Her decision to punish Plaintiff for refusing a search based on evidence that he had once in possession of a peach pit was absurd, arbitrary, and capricious, designed only to shield Scarangella from punishment and shame.
- 124.) As a result of the deprivation of due process in his disciplinary hearing, Plaintiff lost months of his liberty and the ability to earn income for himself.

Wherefore, Plaintiff demands:

- Economic and non-economic damages in an amount greater than \$15,000.
- Punitive Damages
- Injunctive relief
- Attorneys fees
- Costs of suit
- Other remedies as the court may seem just and proper.

JURY DEMAND

Plaintiff demands a trial by jury.

CERTIFICATION OF NO OTHER ACTION

Plaintiff attempted to file this action by mailing a copy of the Complaint to the Superior Court of New Jersey in or about December 2020. No summons was ever received back. Otherwise, Plaintiff affirms that there is no pending action related to the facts plead herein.
